# HMCS HAIDA - Honouring Canadian Triumph

The last Tribal Class Destroyer in the world, HMCS HAIDA is Canada's most famous warship. HAIDA inspires countless adults and children and draw visitors from Ontario, across North America and from around the globe.

The ship's pedigree and stories are the stuff of legend! The Friends of HMCS HAIDA ask for your generosity to support our mission: to preserve, promote and protect our proud Canadian legacy.

# Our Vision

The Friends of HMCS HAIDA are dedicated to preserving, promoting and protecting the legacy of Canada's most experienced and honoured warship, its crews and its significance as a National Historic Site.

# Our Mission

Our mission is to educate Veterans, communities and Canadians on the legacy of HMCS HAIDA. This will be accomplished through multi-tiered educational programs focused on schools, youth groups, senior facilities and service clubs.

Through various communication platforms and visits, we will reach out to support our Naval veterans.

We will seek opportunities to promote our museum's historical artifacts and traditions through special events and relationships with other museums, historic sites and naval associations.
