709 Toronto Signals Cadet Corps held their CO's parade and RSM **MWO Darawsha**, was awarded the King Charles III Coronation Medal. By **Lt(N) Johnnie VU** CO 709 Toronto Signals Cadet Corps. RSM **MWO Darawsha** was presented this honour for his

commitment to both the unit and community. **MWO Darawsha** reflects the ideals of leadership and citizenship.

Congratulations RSM! Additionally, congratulations to all of 709's Cadets of the Month, and their newly promoted Signaller.

142 Mimico Determination Air Cadet Squadron is named after 142 Royal Air Force Squadron a WWII Bomber Squadron flying Wellington and Mosquito aircraft. Since September 2015 the Cadet's have been affiliated with 32 Signals Regiment. **Lieutenant Colonel Moore** CO of 32 Signals Regiment with RSM, **CWO Hua**, attended a recent 142 Squadron Mess Dinner. Members were able to share tales of their recent activities such as gliding, touring

Queen's Park, and an upcoming tour of CFB Trenton and a CC-177 Globemaster. At this year's Annual Ceremonial Review, 142 Squadron will hold a Change of Command Ceremony, from **Capt Bilyk** to **Lt Pannerselvam**. **Sgt Fall, K** and **CI Patel, D** wished to express their gratitude to the members of the 32

Signals Regiment for their continued support and providing a helping hand whenever needed. The precision and dedication of the Squadron's Drill Team and Flag Party were recognised at the 2025

"March On" competition where the Flag Party Commander and Team were placed First and the Drill Team and Commander were placed Second. **Sgt Fall, K**, who provided this report spoke to members of the Flag Party and Drill Team. "We work very hard to achieve high levels of excellence". "Being on the Team really helps to achieve high levels of excellence." **Sgt Fall** wrote "The Drill Team and Flag Party

bring great pride to 142 Determination Squadron.” Our thanks to **Lt Vidur Pannerselvam** for sharing these photographs and the Squadron update.

At the Garrison’s Ball this year, **32 Signal Regiment’s Chaplain Capt Adam Hanley** and **LCol Bridgewater** 4Div Chaplain met Ontario’s **Lieutenant Governor Edith Dumont**. Smiles everywhere, a happy occasion.

Ex Trillium Venture 2025, a Domestic Operations exercise took place in Northumberland County between 25 - 27 April 2025. It simulated a major Air disaster creating a debris field extending 15 km in area. 31 Canadian Brigade Group set up an Exercise control (EXCON) in Cobourg, a TBGHQ in Baltimore with Domestic Response Company HQs’ in Colborne, Warkworth, Roseneath, Grafton and Bewdley. 31 Signal Regiment provided Military Communications while **Capt Spinosa** shepherded the Amateur Radio members and CFARS operators who provided superlative support networks using High Frequency; Very High Frequency and Data using ‘WinLink” the EMO network.in Canada and North America. The ‘amateur ‘ operators were coordinated by **Mr Rob Noakes** and **Mr John David**, who provided his HF ICOMM 7300 radio to the Vintage Signals Team (VST). **Capt (Ret’d) Rick Little**, **Mike Leatham** 705 Sig Sqn (Ret’d) who provided his VHF radio, and **HCol (Ret’d) Ken Lloyd** joined members of the Essex and Kent Regiment at DRC-C at Roseneath. WinLink Data

network was provided by **Mr Jon Brown** a ‘superb operator’ of the networks who it would be a pleasure to work with again. The Military VHF link was provided by 31 Signal Regiment. The CO 31 Sig Regt **LCol Lisa Smid** and the incoming RSM **MWO Tanner** dropped in to Roseneath to say Hi to the crew.
