**Snow comes but once a year, ready for Cold Weather Operator Qualifications.** Over the final weekend of the Cold Weather Operator (CWO) course, held 6–8 February 2026 at Canadian Forces Base (CFB)

Borden, Ontario. 32 Signal Regiment members immersed themselves in winter operations, constructing field defences, strengthening tent group routines, and sharpening essential cold weather survival skills. Skills went beyond simply functioning in the cold and included reinforcing the discipline, and resilience, to remain focused, and mission ready. Bravo Zulu for all involved and especial thanks to MCpl Percival and

OCdt Ansari, of 32 Signal Regiment for providing this story.

On Tuesday, September 23rd, 2025, at Fort York Armoury (FYA) in Toronto, members of 32 Signal Regiment were recognized for their 12 years dedication and service to the Canadian Armed Forces (CAF). **MCpl Anja, J.E.**

**Sgt Nguyen** and former member **Cpl**

**Zhou, R** were awarded the Canadian Forces' Decoration (CD). Congratulation and a big thank you for your loyal service to King and Canada.

So much snow provides memories of the **Vintage Signals Team** in WWI period uniforms with **1626 Army Cadet Corps** practising visual signals in Grimsby, Niagara. **Maj (Ret'd) Hal Buller and Capt (Ret'd) Rick Little and HCol (Ret'd) Ken Lloyd** used the winter sun for sending Morse

Code by Heliograph. Retired Naval Signaller **Ron Kirk** from **The Friends of HMCS HAIDA**, shared the experience of Naval flag signalling. A wonderful memory.

Congratulations again to the (Rifle) Range Team of **709 Toronto Signals Cadet Corps** for coming home with 1st Place in the shooting

competition. A special congratulations to our juniors who also placed individually! This story is from the Facebook page of 709 Toronto Signals Cadet Corps.

**SAVE THE DATE** Drum Major and President of the Toronto Trumpet Band Mr Burke Gerhardt invites you to

Celebrate the 100th Anniversary of the "SIGS" Band on Sept 26<sup>th</sup> 2026 to be held at the Sheraton Parkway Toronto North Hotel & Suites 600 Hwy 7, Richmond Hill. More to follow.

On 29<sup>th</sup> Jan 2026 the members of 32 Signal Regiment shared Signalling with the **2408 Royal Canadian Army Cadet Corps** at Canadian Forces Base, Borden. **Cpl Grant Longaphie** from the **Borden Vintage Signals Team** wrote "I've been getting a lot of comments of

how much fun it was from both the cadets, and their staff. The soldiers on the displays, all the way from Major to Signaller, left everyone with an exceptional impression of 32 Signal Regiment's capabilities. Some of them even expressed how much fun they had. You don't really know how effective CAF engagement is until you see it in action. Bravo Zulu and thank you to all who made this happen." Thank

you all.
